SCHOOL CONTEXT STATEMENT
Updated: May 2017

School number: 0325
School name: Owen Primary School

School Profile:
Owen Primary School was established in 1883. In 2017, year levels range from R-7. The school is situated in the Owen rural community in the centre of a grain growing area in South Australia’s lower mid north. The school is well placed in terms of facilities and resources. The school population derives from a diverse range of socio-economic backgrounds and influences. Despite being a small rural settlement with silos reinforcing the skyline, the town in recent times has become popular with commuters due to its relaxed and casual rural living, while still being in close proximity to Adelaide. Students live either in Owen or come from outlying rural properties and homes via one school bus service. Students from Owen Primary School go on to attend Balaklava High School.

The school and its community are impacted by:
• Local business and farming
• A strong and proud tradition of local identity, allegiance and independence
• Relatively stable enrolment patterns, enhanced by healthy enrolments in the Play centre
• Regional shopping services being provided at Balaklava [20 kms from Owen] and Gawler [48kms from Owen]
• Very strong school and community connections.

The school strives for continuous improvement in service and performance, whilst being accountable, responsive and innovative in order to raise expectations. The school has a strong focus on monitoring student learning outcomes and supporting every individual student’s learning growth as evidenced by student learning outcome data. There is strong parent and community interest in, and support of all aspects of school life at Owen Primary School.

Owen Primary School is part of the Lower Mid North Partnership, joining sites in Balaklava, Hamley Bridge, Manoora Port Wakefield, Riverton, Saddleworth and Tarlee. As schools and pre-schools we are working together to improve learning outcomes for all students across the partnership.
The school curriculum at Owen Primary School covers the 8 learning areas; Mathematics, English, Science, HASS, Health and Physical Education, Language Other Than English (Indonesian), the Arts and Design and Digital Technologies.

Parent support continues to be a strong feature, with most families represented through either Governing Council or Parents and friends with most families providing support to the school, staff and students in some way.

2. Students (and their welfare)

General characteristics
The student population at Owen hovers at between 55 and 60. Approximately 40% are school card recipients. Some families have lived in the district for several generations, others have moved to district for various reasons (eg ‘hobby farms’, employment in poultry industry) and stayed for a long period.

Pastoral Care
Students are grouped into 3 classes, Junior Primary R/2, Middle Primary 2-4 and Upper Primary 4-7.
Staff know students and their families well, and stay in close contact with families.

Support Offered
At Owen Primary School we are committed to providing quality teaching in all curriculum areas. As a school we provide literacy and numeracy support to all students using the recommended DECD Response to Intervention (RTI) model. We also provide appropriate levels of support to all students with special needs and high intellectual potential (pedagogy).

The Model
Tier or Wave one is for all learners. This is where high quality classroom teaching takes place.
Tier or Wave two students at Owen PS are provided with a minimum of 20 minutes SSO support 4 days a week, in groups of 3 to 5, during literacy and numeracy block.
Tier or Wave three students at Owen PS are provided with a minimum of 20 minutes SSO support 4 days a week, in groups of 1 to 3, during literacy and numeracy block.
The MP and UP class both have an SSO to work with the teacher providing targeted literacy support for 1.5 hours four days a week and targetted numeracy support for 1 hour four days a week. The JP class has this same literacy and numeracy support 5 days a week.

**Expectations — Disciplined Dialogue**

Each term, teachers and SSO teams review student Literacy and Numeracy Diagnostic Assessment data in an ongoing manner using a Disciplined Dialogue approach to revise tier 2 and 3 student lists and the support provided. The Principal monitors the percentage of students in each tier every term. The data used is triangulated from assessments such as NAPLAN, Running Records, Alphacheck, SA Spelling Test, PAT maths and reading comprehension.

- **Student Management**
  Students are generally well behaved. Students care for each other and show pride in their school. New students are generally accepted into their peer group. Over the past three years we have strengthened our school values of Achievement, Caring and Excellence in relationships and learning. Students own the focus on being caring and are responding well to strategies to improve their ownership of their learning outcomes.
  An anti-bullying process, including grievance procedure and termly bully audits are active. Bully audits follow up actions include teaching and learning programs, contact with parents and individual counselling for students.

- **Student Voice**
  Students are increasingly being consulted about learning programs and classroom pedagogies.
  The Student Representative Council (SRC) plays an important role at Owen Primary School. The SRC openly encourage and acknowledge positive behaviour and lead by their actions. SRC students also fundraise and act as leaders in the school.

- **Special Programmes**
  At Owen Primary School we believe improving students’ Literacy and Numeracy is our core business. Reading and Basic Number Facts are the foundations upon which all other learning is built. Effective Literacy and Numeracy teaching encompasses a balanced approach. Effective literacy and numeracy programs are offered both within literacy and numeracy blocks and across all other learning areas.

  In 2014 we made significant progress with our Whole Site Literacy Agreement. Teaching of Literacy and Numeracy is guided by the Whole Site agreement

The school is open from 8:30am – 3:20pm with lessons starting at 9am. Recess is from 11am to 11:20am, lunch eating time is from 1.00 to 1.10 and play time is from 1:10pm to 1:50pm.
